## Notes

### Additional:

- Welcome back!
- Dictionary Day: Dress up as any word from the dictionary (it must have meaning!)
- Rush: Ensure that you've completed all indemnity and consent forms for your child to partake at Rush
- Grandparents Day: Let the Grandparents know that we're inviting them to spend some time at school with their Grandchild (details will be shared!)

On October 5th, we honor the incredible dedication and impact of teachers around the globe. Their commitment to education shapes futures and inspires countless students every day. Let's take a moment to appreciate their hard work and unwavering passion for teaching!

"Teachers affect eternity; they can never tell where their influence stops." — Henry Adams

30	31					

## Farewell for now!

The school year's end is drawing near,  
A time to pause and hold dear,  
The moments shared, the laughter and cheer,  
The lessons learned, year after year.  
We've journeyed through each ebb and flow,  
With growth and triumphs, highs and lows.  
In classrooms bright and hallways wide,  
We've come together, side by side.  
From early dawns to sunsets gold,  
Each day a story to be told,  
With every challenge, every test,  
We've given our very best.  
Now summer's breeze will soon embrace,  
A well-earned rest, a slower pace.  
But as we part, let's not forget,  
The bonds we've formed and dreams we've set.  
Here's to the friends, the fun, the strife,  
To cherished days and future life.  
As we move forward, let's hold tight,  
To memories made and dreams in sight.  
Farewell for now, but not goodbye,  
Our hearts will keep the memories nigh.  
As seasons change and time moves on,  
The echoes of this year live on.

Have a wonderful & Blessed Holiday Season!  
See you next year!
