Textbook Levy 2025

4 December 2024

Dear Parents

Please see the textbook levies for 2025. This levy is payable at the front office via card payment or via a payment link, that can be requested from your register teacher in the new year.

These fees are:

- R800,00 once-off for Grades 4-7
- R400,00 once-off for Grades 1-3

This levy will be used to provide access to digital learning materials, and printing and binding costs of workbooks. We hope to provide a more flexible, dynamic, and engaging learning materials.

There will still be a minimal amount of physical textbooks which need to be purchased by the parents, which you can find on the stationery lists of 2025. These are also in the report pack and will be uploaded to our website in due course.

Here are some benefits of the textbook levy program:

- **Cost Efficiency:** The textbook levy eliminates the need for parents to purchase numerous expensive physical textbooks every year.
- **Accessibility:** Digital resources ensure that students have equitable access to learning materials, regardless of their financial circumstances.
- **Up-to-Date Content:** We can regularly update and enhance the learning materials to align with the latest curriculum standards and educational advancements.

If you have any questions or concern, please do not hesitate to reach out to your register teacher.

Thank you for your continued support.

Kind regards,

Suné Brand
