# karri

The simplest way to send money to your school

POWERED BY NEDBANK

What is Karri?

Karri is a mobile payment app that allows you to make quick payments for school events. Instead of sending children to school with envelopes of cash for civvies days and class outings, you're able to make fast payments of exact amounts straight to your school.

How it Works

9:41

Tuesday, August 16

Karri now
Kayla has an upcoming school trip to
Butterfly World for R24.50. Pay now 😊

👍

Success!

You've just paid

R 24.50

Okay

Receive a notification of an upcoming school event.

View the event details and hit "Pay Now".

Success!
It's as simple as that.

How to get started

1	2	3	4
Receive Code	**Quick Download**	**Top Up**	**Make Payments**
You will receive your child's unique code via SMS and email	Download the Karri app from the iStore or Google Play Store and enter the unique code to get started	Add credit to your Karri account using your debit or credit card	Begin making quick payments to your school

Events Calendar

Your Karri Calendar also helps you to keep track of all of your child's upcoming activities.

Family Profiles

You can link multiple children to your account if their schools support Karri.
